

## **ABUNDANCE & WEALTH AFFIRMATIONS**

- **I am successful in business.**
- **No matter what I do, I am successful.**
- **Money flows to me easily from all directions. In fact, I'm a money magnet.**
- **I'm great at making money, I'm great at holding on to money and I'm great at sharing it, giving it and using it to better other people's lives as well as my own.**
- **My business provides incredible value**
- **The work that I do makes a difference.**
- **I make a difference. I know I make a difference simply by being me and by doing things in my own way.**
- **I have no need to do what others tell me I have to do.**
- **My business model is one that works for me, it's not based on theory or text books, it's not based on what the gurus say. It's based on what I know works for me and it does work.**
- **Everyday I am moving ahead in my business. I have a clearer, clearer sense of what I need to be doing, how I need to do it, what is important to finish and what is ok to let go of.**
- **I love letting go of things, I love failing at things because I know that it helps me to move closer to what is important.**
- **Each day I have an abundance of time to stop and think about how I want to be in my business and in my life each day.**
- **I think about outcomes, how I would like to feel at the end of the day, the week, the month, the year.**
- **I have a focus for each task and the focus comes back to the emotions that I want to bring in to my life.**
- **I don't worry about what I should be doing, what the books say, what the online courses say, the latest thing I've seen on Facebook, YouTube or anywhere at all.**
- **I think only about how I can deliver more value by being more authentically me, by providing a service that people want, that makes a difference and that I love to be a part of.**

- When I am authentic to my own needs, I am better in my business. - When I take time for myself, I am better in my business.
- When I stop and do nothing at all, I grow in my business. - Success flows to me in all directions.
- I am becoming stronger, more affecting, more productive just by being me and by taking time to stop. **ABUNDANCE & WEALTH AFFIRMATIONS**
- I stop often.
- When I work, it's with passion, with purpose.
- I am able to move efficiently, I am able to get things done easily and the reason that I find things so effortless is because I'm doing what I love and I love what I do.
- I let go of the things that don't tie into who I want to be, how I want to live my life, how I see myself living my life.
- I live the way I want to live in the future. I live that way now. Now is the time when I'm living my dream business.
- I engage everyday in things that are exactly what I want to do and it makes a difference. - My businesses grow, my income has grown, my financial freedom, freedom is happening right now.
- I am abundant, money flows to me easily in all directions
- I love knowing that money flows to me with ease everyday.
- Like the tide it has to flow out to come back in. I trust in the universal laws.
- I deserve to make great money doing what I love.
- I am an ideas magnet & launch like a rocket.
- I adore my business and all that it brings me.
- I love how easily my ideal clients turn up. My empire is growing.
- I listen only to my intentions and how it makes me feel.
- I serve myself first before others.
- I love how opportunities come to me in unexpected ways.
- I have everything I need right in front of me.
- I am a leader of an incredible tribe of women who are leaders too.

The cool thing about affirmations is that you get to make them up yourselves. These didn't come from a book, a website or someone else. These came from my heart, my feelings, my desires. I write affirmations daily into my journal to affirm that the reality I want is happening NOW.

Not tomorrow, not when, but now. It is my reality.

**Your turn.** Create and affirm your life and biz. Everyday.
